We are continuing our tradition of truly retreating in an amazing location and spending focus time with Garment Designer. So, we return to Cimmaron, New Mexico and the a 100-year old inn we have grown to love.

As per user's requests, the focus this year is on really getting down to work, using Garment Designer, and stretching the software's abilities, so we have added one day in length, and created an agenda that will allow you to push the edge. The workshop is designed for people who are comfortable with the basics of Garment Designer (through working with it, or from a prior workshop), but really want to extend their skills. Come with projects in mind.

Whether you knit or sew, you will love what you will learn more about Garment Designer. In addition to hands-on workshop, moving from project to project, there will be lots of talk on design, creativity, etc. You will be free to work into the wee hours of the night, as we have taken over the entire Inn. Enrollment is limited, and we encourage some room-sharing so that more people can attend.

Besides the workshop days, (August 3rd - 6th), there is an optional day of exploring the fiber and arts areas of Santa Fe, New Mexico.

We have taken over the Inn, so have complete run of the place.

This means we can leave things set up and continue to work as you please.

Official instruction time is 10 - 4 p.m. However, open lab can continue to work into the wee hours, as much as you like.

The focus will be on pushing your skills with Garment Designer, and will include the following items:

- Working with Collars, Pockets, Edgings
- Using Generic Shapes to Create Accessory Items
- Adapting Couture Design
- Copying a Ready-to-Wear Garment
- Working with Fit Issues
- Unique Touches and How to Achieve,
- Working with multiple sizes
- and other items based on requests (if you have a request for something you want to learn, please email us).

Please bring a portable computer with Garment Designer installed (or we can install the software for you). Further materials list to be sent later.

**Sewers** : You may bring fabric if you want to cut and experiment. We cannot guarantee a sewing machine (possibly someone driving will bring one), but we can still pin fit.

**Knitters**: Bring yarns to swatch and experiment with, to plan a complete garment.

Cost: \$300.00 for Garment Designer Workshop, \$75.00 for Day in Santa Fe

This includes:

- Tuition
- Breakfast while at the Inn (Friday through Tuesday a.m.)

Not Included:

- Travel : airfare, travel to and from Santa Fe and the Inn in Cimarron
- Accommodation
- Meals (except breakfast while at the Inn in Cimarron)
- Note: To simplify things, we will put together a 'dinner' package (cost of approximately \$60 for four dinner meals at the Casa). One of these meals can be a joint group cooking night where in teams, we prepare parts of the dinner meal for the group. You can participate if you like to cook and want to share in the creative camaraderie.

Notes:

- Casa del Galvin has limited space. **Rooms must be booked through Cochenille**. Please contact Sonia for information on which rooms are still available. Let her know if you would be willing to room-mate, as this is sometimes possible as there is a second bed. You may look at the Inn by going to [www.casadelgavilan.com](http://www.casadelgavilan.com). If we fill the Inn, there are other Inns and Bed and Breakfast hotels in the area. We will assist you in locating housing there.
- Hotels in Santa Fe range in price from \$70 to \$200 plus. We can either let everyone locate their own hotel, or we can all agree on a price range and choose a hotel. Let us know your thoughts.
- Most people find flying in and out of Albuquerque is more cost-effective.
- We will coordinate the sharing of costs of rent-a-cars for those who like. Please let us know if you would like to ride-share.
