

SEWER'S / KNITTER'S WORKSHEETS

COCHENILLE FACT SHEET

DESCRIPTION

The Sewer's and Knitter's Worksheets were created as part of the Let's Get Organized series by Cochenille. Each set contains editable PDF worksheets that allow you to organize your samples, projects, and more. See the reverse side for more information.

As a bonus, the Sewer's Worksheets add a Fabric and Trim PDF and the Knitter's Worksheets add a Yarn Inventory template PDF.

Note:

You will need Acrobat Reader to open and edit the files.

HOW TO USE

1. If you want to complete the worksheets by hand, simply print them out and hand-write your information.
2. Or, if you prefer to work on your computer, you can type in the editable fields and then print out the worksheet.
